Re: Water Right No. S2-30359 for Thurston County Parcel No. 77100212000

Dear Mr. Stuckert:

Thank you for submitting your *Construction Notice* reporting you have begun construction of your water system. You also requested an extension of your Completion of Construction date. You are hereby granted an extension for the reasons below:

- Due diligence is shown in development. A water line has been constructed from Summit Lake and across the road to the property.
- You were unable to proceed with construction due to litigation regarding access to the property.

Your new deadline to complete construction and submit your *Construction Notice* is **October 1, 2015**. If there are delays in completing your project, you must contact us in writing to request an extension.

If you have any questions, please contact me at (360) 407-0279 or mpet461@ecy.wa.gov.
